

# CCMS DATA EXCHANGE DATA SHEET

## ADMINISTRATIVE OFFICE OF THE COURTS

INFORMATION SERVICES DIVISION

### Court Sends Booking Required Notification (CAS905)

#### Exchange Description

Trial courts use this NIEM-based data exchange to send a notification to the integration partner that the defendant must be booked when this action is ordered by the trial court.

- The notification message contains the request that the defendant be booked with required information (case number, participant, charges).
- The response message contains the booking processed response to this request and related information (case number, participant, booking processed indicator) sent by the integration partner.

#### Business Response Exchanges

The business response refers to any subsequent exchanges that may occur as a direct result of this exchange.

- There is no business response to this exchange.

#### Error Handling

If the integration partner does not successfully receive the request message, the trial court will receive an error message with an error code and error reason.

#### PROBABLE INTERESTED INTEGRATION PARTNERS

- California Department of Justice
- County jails
- Law enforcement agencies/sheriff

#### RELATED EXCHANGES

Related data exchanges are preceding or subsequent data exchanges that may be used by an integration partner as part of the overall business process related to this exchange.

- There are no related exchanges for this data exchange.

For more information about this and other data exchanges, contact [integrationpartners@jud.ca.gov](mailto:integrationpartners@jud.ca.gov)

### **Additional Information**

- A single exchange message is sent for each booking required notification.
- The response to this exchange message only occurs after receipt and processing by the integration partner. Both the success and error response messages must be sent as separate messages using the formats defined in this exchange.
